

## What's Happening at Thaxted Park Golf Club.

February 2009.

- **Schweppes** have extended their sponsorship to include the Club Championships and Simpson Cup Team.
- **New Championship** category – 55 age and over – lowest gross score two qualifying stroke rounds.
- **Finance** our Club is travelling well with increased income due to green fees, retention of membership, cart hire and functions.
- **Dress code** is relaxed to encourage green fee players – please be understanding.
- **Friday night meals** \$8.00 please book as numbers are increasing.
- **Water levy** – is essential this year - \$60 each member, \$30 juniors and nine hole members.
- **Pennant** – Peter Ward Manager with assistance from Mick Mace and Jay Fuss, caddies needed see Peter or any Committee person. We also have a team in the McMillan Shield (juniors) with our country kids' support. Invites to potential Simpson Cup and B2 players have been sent.
- **Sprinklers** – do *not* turn off as we are watering manually; have a permit and using mains water. Fairways are getting some bore water but the quality is poor.
- **Carts** – we will be increasing the size of our storage shed to allow the Club to purchase 4 more electric carts for hire as this is essential to increase our business and be competitive. This also provides storage for a few members' personal carts at an appropriate fee.
- **Working Bee** – proposed for *Sunday 15 February 2009 at 8.30am* to construct the storage shed extension. We need assistance particularly members with experience or related skills. Please see Adam if you are available.
- **Pro Shop** - stock take clearance sale 'great deals'
- **Sand buckets** with increase in traffic please use sand in 'other peoples' divots as well as your own.
- **RIP** Chris Cottam - Club member and cleaner, our condolences to family and friends.

Good golfing

Gordon Sykes  
**President**
