Important Communication re Coronavirus (COVID-19)

Dear member,

The Club is committed to the health and safety of its members and has been closely reviewing operating policies and procedures in recent days due to increasing concern in the community for the spread of COVID-19.

Basic protective measures as recommended by the World Health Organisation (WHO) are as follows:

- **Wash your hands frequently** – Regularly and thoroughly clean your hands with an alcohol-based hand rub or wash them with soap and water.
- **Maintain social distancing** – Maintain at least 1 metre (3 feet) distance between yourself and anyone who is coughing or sneezing.
- **Avoid touching eyes, nose and mouth** – Hands touch many surfaces and can pick up viruses. Once contaminated, hands can transfer the virus to your eyes, nose or mouth. From there, the virus can enter your body and can make you sick.
- **Practice respiratory hygiene** – Make sure you, and the people around you, follow good respiratory hygiene. This means covering your mouth and nose with your bent elbow or tissue when you cough or sneeze. Then dispose of the used tissue immediately.
- **If you have fever, cough and difficulty breathing seek medical care early** – Stay home if you feel unwell. If you have a fever, cough and difficulty breathing, seek medical attention and call in advance. Follow the directions of your local health authority.

Reporting

If any member tests positive for COVID-19 you should contact Club Manager, Allen Guyett as soon as possible on 8325 0046. SA Health and the Chief Public Health Officer will co-ordinate a response with contact tracing activities and the Club will follow their advice.

Members who have tested positive for COVID-19 will be asked not to attend the club until such time as a medical certificate provides confirmation the member has satisfactorily recovered.

Isolation

In line with the announcement from the Australian Government this afternoon, any member who returns from overseas as from today will be required to isolate themselves for a period of 14 days before accessing the Club.

If you have returned or have been in contact with someone who has recently returned from overseas that are considered high-risk areas for COVID-19 please also isolate yourself for a period of 14 days before accessing the Club.

As at 14 March 2020 high-risk countries include China, Iran, Italy, the Republic of Korea, Cambodia, Indonesia, Japan, Singapore and Thailand.

For all other travel associated with countries not listed, please be aware of the symptoms associated with the virus. If you develop a fever or a cough, seek medical advice urgently and follow the guidelines for self-isolation.

Thaxted Park

— GOLF CLUB —

PO Box 98, Woodcroft, SA 5162
Office (08) 8325 0046
Pro Shop (08) 8325 1636
Fax: (08) 8325 1020
info@thaxtedparkgolfclub.com.au
www.thaxtedparkgolfclub.com.au

We request that all members that have a cold and flu like symptoms, including a sore throat, cough, fever, body aches and pains avoid the Club and seek medical advice.

Group gatherings

The Government has recently advised that non-essential gatherings of more than 500 people should be cancelled. At this stage Thaxted Park does not have any upcoming events that would warrant cancelling under this advice. That said, every upcoming event will be considered on a case by case scenario and modified as required to ensure the maximum level of protection from transmission. Members will be advised accordingly of such changes if and when required.

Operational changes

Keeping our clubhouse and facilities operational for as long as possible is of critical importance during a time where members will want to utilise the Club while the Coronavirus disrupts their day to day lives.

To help reduce the possible spread of the virus, the following operational changes have been implemented at the Club, effective immediately:

- The member's draw will proceed on Wednesday night 18th of March however will be suspended thereafter until further notice;
- The restaurant will be open for service on Wednesday night 18th March however will close after this date until further notice;
- Please wash your hands regularly with water and soap for up to 20 seconds then dry them with a paper towel;
- Doors will be left open wherever possible, with additional cleaning practices implemented to wipe down door handles and other surfaces regularly during the day;
- We would prefer payments be made electronic transactions including charging to your house account, debit or credit card;
- Shared sunscreen items will be removed from the locker rooms;
- Shared food and beverage items including cheese and biscuits, salt and pepper shakers, water jugs and table glasses, will be removed as a precaution;
- We encourage members to keep a sanitiser in your golf bag or pocket for use on course after raking bunkers, using ball washers, holding the flag etc;
- We encourage members to maintain at least 1.5 metres distance between yourself and anyone else while at the Club.

General Information

If you are worried but not unwell, please call the National COVID-19 hotline on 1800 020 080. The line operates 24 hours a day, seven days a week. Up-to-date information can be found at <https://www.health.gov.au/news/health-alerts/novel-coronavirus-2019-ncov-health-alert>.

We thank members for their understanding and co-operation and encourage you to continue utilising the club facilities.

Allen Guyett

Club Manager
