The family club

## Welcome to Thaxted Park Golf Club

Thaxted Park Golf Club is located in the southern suburb of Woodcroft only 20 km from Adelaide's CBD. The course layout takes advantage of the rolling hills, offering views to the sea and many of the tree lined fairways are interwoven with the creeks and dams that attract an abundance of wildlife.

With many holes that could be labelled as signature, our key hole is the 6th-par 5 where the green has been modelled on the iconic 17th Road Hole at St Andrews.

Thaxted Park Golf Club offers a course of Santa Anna irrigated fairways and bent greens that are a delight to play. With a natural layout that delivers holes in all directions of the compass, you will never feel like you are playing the same hole again.

Throughout the years we have maintained and enhanced our reputation as a friendly, affordable and sociable club where members can relax in company overlooking a course that is a credit to the dedicated staff, committees and members alike.

In recent years with the course improvements, new restaurant and development of the golf academy we have seen the number of members increase significantly.

## History

Thaxted Park Golf Club was officially opened in 1964. Built by the Foundation members, the course had only seen minor alterations up until 2015. Over the last 2 years, the front nine has undergone a redevelopment under Crafter and Mogford.

Thaxted Park have won the Simpson Cup on four occasions and has proved to be a successful breeding ground for Professional Golfers, including Glenn Joyner, Justin Cooper, Adrian Percey, Nathan Kent, and more recently Adam Bland, Peter Cooke and Jordan Sherratt.
